THE SIX-STEP VBS™

Whether you're the VBS Director or a class leader, we've made VBS easy. Follow **six simple steps** and you'll be on your way to filling the streets with special agents who are ready to share the truth about Jesus! Each *Administrative Guide for Directors* and each rotation and class *Leader Guide* implements six steps that make VBS simple for you and your volunteers.

SIX STEPS TO DIRECTING VBS

STEP 1 KNOW YOUR PURPOSE AND THEME

STEP 2 START PLANNING

STEP 3 ENLIST AND TRAIN WORKERS

STEP 4 PROMOTE AND PUBLICIZE

STEP 5 REGISTER PARTICIPANTS

STEP 6 CONTINUE THE CONNECTION

INTRODUCING THE ALL-NEW TAKIN' IT HOME CD

"So, what did you learn at VBS today?" We all want to see parents and kids connecting with each other on a deeper level than this simple question. In most cases, the conversation is over before the car pulls into the driveway. It has to go deeper! That's why we created the *Takin' It Home CD*. This tool will help families to start connecting deeply and begin their spiritual journey together, and allow your church to become part of the process.

How it works:

Each day when kids leave your VBS, place the *Takin' It Home CD* in their hands. Purposefully instruct them to play it as soon as they get in the car. This *CD* is designed as an immediate follow-up of what kids just heard in the VBS session. It helps engage families in spiritual conversations and it can draw families into your church.

What's on the CD?

The *Takin' It Home CD* has a cool kids radio feel. You'll feel like the hosts are in the car with you. Everyone will play a car game and listen to a little music. Then, the hosts present a warm-up question that primes discussion for what is to follow. The final question is the heart-to-heart follow-up to the content of the day. Each audio track builds on the next. The final track culminates in the opportunity for families to pray together. Many families may be doing this together for the first time!

The bottom line:

If you train your VBS leaders and emphasize the value of this *CD*, life-changing conversations will take place between kids and their parents. These conversations might not only set kids on their path with God, but engage the entire family in that process.

We believe so strongly in the concept behind the *Takin' It Home CD* that we've included one in every *VBS 2014 Jump Start Kit*. You may reproduce as many as you need, or you may order the number of *CDs* you need. What's more, we can actually customize the *CDs* so they sound like a gift produced by your church! Can you imagine how compelled those families will be to return the following weekend?

MISSIONS

Martha Moore started a college ministry called Connexions. A student named Abraham came to Connexions to learn more about Jesus.

Liam and his parents had to be ready to do what God wanted them to do when they moved to Ontario, Canada.

Alli talks to Abraham to discover what he learned about Jesus. A student named Yasmain answered Abraham's questions about God and Jesus.

Liam's parents began going to a church that Jeff Christopherson started in Toronto.

Abraham tells about when he became a Christian. Now he meets with people who have questions about Jesus.

Liam's parents wanted to use their gifts in music to help lead a new church in Milton.

Martha shares how God is using Abraham to lead Connexion groups in Spain. He uses his talents to tell people about Jesus.

Liam tells how his family took him to a hospital in Hamilton when he was sick. They noticed there were no churches there and felt God telling them to start a church in Hamilton.

Abraham works hard telling other people about Jesus. He is using all the evidence he has gathered to help others learn about Jesus.

The McGibbon family uses what they know about Jesus to start house churches in Hamilton.
